

# ACHING

*Meaning: Aching refers to a continuous, dull pain or discomfort in a part of the body, or a deep, persistent emotional feeling of longing or sadness.*

1. After a long day of hiking, I sank into the couch, my legs aching from the exertion.
2. She felt an aching sense of nostalgia as she flipped through the old photo album.
3. His heart was aching with sadness after the news of her departure.
4. The child's aching cries echoed through the empty hallways of the hospital.
5. With each passing hour, the tension in her shoulders became more aching and unbearable.
6. The aching loneliness of the winter nights made her long for companionship.
7. He rubbed his temples, trying to ease the aching headache that had been bothering him all day.
8. The athlete pushed through the aching pain, determined to finish the race.
9. An aching desire for adventure stirred within him as he watched the travel documentary.
10. The aching beauty of the landscape took my breath away as the sun set over the mountains.
