

ARIOSO

Meaning: Arioso is a musical term referring to a lyrical, expressive passage for voice that is more melodic than recitative but less formal than an aria.

1. The composer included an arioso section that beautifully showcased the soloist's voice.
2. Her performance of the arioso left the audience in awe of her emotional depth.
3. The arioso flowed seamlessly between the more dramatic passages of the opera.
4. He decided to include an arioso in his composition to add a lyrical contrast.
5. The singer's interpretation of the arioso was both haunting and memorable.
6. In the middle of the symphony, an arioso provided a moment of tranquility.
7. The conductor emphasized the delicate nuances of the arioso during rehearsal.
8. As she sang the arioso, the room felt charged with raw emotion.
9. The arioso's gentle melody lingered in the air long after it had ended.
10. Critics praised the arioso for its intricate harmonies and expressive phrasing.
