

ARMINIANISM

Meaning: Arminianism is a theological doctrine that emphasizes the belief in free will and the ability of individuals to choose salvation, contrasting with predestinarian views such as those found in Calvinism.

1. Arminianism emphasizes the role of free will in salvation.
2. Many theologians debate the merits of Arminianism versus Calvinism.
3. Arminianism originated from the teachings of Jacobus Arminius in the 17th century.
4. The principles of Arminianism advocate for conditional election and resist predestination.
5. Within Arminianism, the concept of God's grace is seen as universal rather than limited.
6. Arminianism has influenced various denominations, particularly within Methodism.
7. Critics of Arminianism often argue that it undermines God's sovereignty.
8. The discussion of Arminianism often includes topics like grace, faith, and redemption.
9. Understanding Arminianism requires a grasp of both biblical texts and theological interpretations.
10. Some modern Christian movements draw heavily on the tenets of Arminianism.
