

BORROWER

Meaning: A borrower is an individual or entity that takes money or a loan from another party with the intention of repaying it, typically under agreed-upon terms.

1. The borrower applied for a loan to start a new business.
2. Each borrower must provide proof of income before approval.
3. The bank requires the borrower to have a good credit history.
4. A responsible borrower understands the terms of their loan agreement.
5. The lender assessed the risk associated with the borrower's financial background.
6. As a first-time borrower, she had many questions about the mortgage process.
7. The borrower was grateful for the assistance provided by the financial advisor.
8. To qualify for the loan, the borrower needs to meet specific eligibility criteria.
9. The borrower successfully negotiated a lower interest rate with the lender.
10. Communication between the lender and borrower is essential throughout the loan duration.
