

# CHAMOIS

*Meaning: Chamois refers to a soft, pliable leather made from the hide of the chamois animal, or it can also refer to the agile goat-antelope species found in the mountains of Europe.*

1. The artisan used a chamois cloth to polish the delicate silverware.
2. During the hike, we spotted a chamois gracefully navigating the rocky terrain.
3. She preferred using a chamois for her car's interior cleaning because it left no streaks.
4. The texture of the chamois made it ideal for drying delicate glassware without scratches.
5. In the early morning, we watched a chamois family grazing peacefully in the meadow.
6. The painter used a chamois to blend the colors on the canvas seamlessly.
7. Chamois leather is known for its softness and durability, making it a popular choice for gloves.
8. As the sun set, the silhouette of a lone chamois stood out against the orange sky.
9. I often carry a small chamois in my backpack for quick clean-ups during outdoor activities.
10. Her chamois jacket kept her warm and dry during the chilly mountain expedition.
