

CHOULTRY

Meaning: Choultry: a large hall or building used for communal gatherings, celebrations, or feasts, often found in Indian villages.

1. The village hosted a grand festival at the local choultry, inviting everyone to join in the celebrations.
2. After the wedding ceremony, the guests gathered at the choultry for a lavish feast.
3. In many rural areas, the choultry serves as a community center for events and gatherings.
4. The choultry was built centuries ago and remains a significant landmark in the town.
5. Volunteers worked tirelessly to clean and decorate the choultry for the annual charity event.
