

CHRISM

Meaning: Chrism is a consecrated oil used in Christian sacraments, such as baptism and confirmation, symbolizing the Holy Spirit.

1. The priest carefully prepared the chrism for the upcoming confirmation ceremony.
2. During the baptism, the pastor anointed the infant with sacred chrism to signify their initiation into the faith.
3. Traditionally, chrism is consecrated during the Holy Week and used in various sacraments.
4. The smooth texture and fragrant scent of the chrism filled the church as it was administered.
5. In many Christian denominations, the use of chrism symbolizes the Holy Spirit's presence and blessing.
