

CHRISMAL

Meaning: Chrismal refers to a sacred oil used in Christian sacraments, particularly for anointing during confirmation and other rites.

1. The chrismal oil is traditionally used during the sacrament of confirmation.
2. During the Easter Vigil, the bishop consecrates the chrismal to be used throughout the year.
3. In many churches, the chrismal is stored in a special ornate vessel on the altar.
4. The aroma of the chrismal filled the air as the priest anointed the newly baptized.
5. Historically, chrismal has been associated with the healing and blessing of the faithful.
