

# CHURCH-BENCH

*Meaning: A church-bench is a long seat typically found in a church, designed for congregants to sit during services.*

1. The elderly couple sat quietly on the church-bench, reminiscing about their wedding day.
2. During the service, the children were restless on the hard church-bench, fidgeting and whispering to each other.
3. She found solace in the stillness of the church-bench, allowing herself a moment of reflection.
4. The worn church-bench creaked under the weight of the heavy coats draped over it.
5. In the early morning light, the sun streamed through the stained glass, casting colorful patterns on the church-bench.
