

CIRCUS

Meaning: A circus is a traveling show featuring a variety of performances, including acrobatics, clowns, and animal acts, typically held in a large tent.

1. The circus arrived in town, bringing with it a sense of excitement and wonder.
2. Children laughed in delight as they watched the acrobats perform daring feats under the big top.
3. I always loved the smell of popcorn and cotton candy at the circus, which made the experience even more enjoyable.
4. The lion tamer stepped into the ring, showcasing his bravery in front of a captivated audience.
5. After years of practice, she finally realized her dream of performing as a trapeze artist in the circus.
