

CLANGOR

Meaning: Clangor refers to a loud, harsh, and discordant noise, often produced by metallic objects striking each other.

1. The clangor of the church bells echoed through the quiet village, announcing the arrival of the new year.
2. As the metal doors swung shut, a deafening clangor filled the air, startling everyone nearby.
3. In the midst of the chaos, the clangor of construction tools created a rhythmic backdrop to the bustling city.
4. The clangor of swords clashing in the arena captivated the audience, drawing them into the fierce battle.
5. Amid the clangor of the bustling marketplace, vendors shouted their prices and customers haggled for the best deals.
