

CLAUQUE

Meaning: A claue is a group of people hired or assembled to applaud or show enthusiasm for a performer or speaker, often to create an illusion of popularity or support.

1. The politician was often accompanied by a claue to ensure the crowd's enthusiasm.
2. Despite his talent, the actor felt overwhelmed by the pressure of performing in front of a claue.
3. The director hired a claue to boost the atmosphere during the premiere of his latest film.
4. Critics accused the event of being less about genuine appreciation and more about a well-rehearsed claue.
5. As the speaker took the stage, a claue erupted into applause, drowning out any dissenting voices.
