

CLERGYMAN

Meaning: A clergyman is a member of the clergy, typically a priest or minister, who conducts religious services and offers spiritual guidance to a congregation.

1. The clergyman delivered a heartfelt sermon that resonated with everyone in the congregation.
2. During the charity event, the clergyman spoke passionately about the importance of compassion and community service.
3. As a respected clergyman, he often provided guidance to those in need, both spiritually and emotionally.
4. The clergyman organized a series of workshops to help his parishioners navigate personal challenges.
5. At the funeral, the clergyman offered comforting words that brought solace to the grieving family.
