CLOSEHAULED

Meaning: Closehauled refers to a sailing position where a boat is sailing as directly into the wind as possible, typically at an angle of about 30 to 45 degrees, to maximize speed and control.

1. The sailor expertly maneuvered the boat as it was closehauled against the wind.
2. Closehauled sailing requires precise adjustments to maximize speed and control.
3. The crew enjoyed the challenge of being closehauled, feeling the power of the wind in their sails.
4. As the yacht was closehauled, the captain shouted commands to keep the course steady.
5. Navigating through the narrow strait, they found themselves closehauled and battling strong currents.
