

# CLOUDINESS

*Meaning: CLOUDINESS: the state of being overcast or obscured, often indicating a lack of clarity or brightness, whether in the sky or in one's emotional state.*

1. The cloudiness of the sky hinted at the possibility of rain later in the day.
2. Her mood reflected the cloudiness outside, heavy and uncertain.
3. The artist captured the cloudiness of the landscape with a palette of grays and blues.
4. The forecast predicted cloudiness for the weekend, dampening their plans for a picnic.
5. Despite the cloudiness, the vibrant colors of the autumn leaves still shone through.
