

CLOYMENT

Meaning: Cloyment refers to an excessive sweetness or richness that becomes overwhelming or distasteful, often diminishing genuine enjoyment or appreciation.

1. Cloyment can often overshadow the genuine appreciation one feels for a work of art.
2. The sweet smell of the flowers was delightful at first, but soon their cloyment became overwhelming.
3. It wasn't until the cloyment of her compliments began to grate on my nerves that I realized her insincerity.
4. In literature, cloyment can detract from a story's impact, making it feel overly sentimental.
5. The excessive sweetness of the dessert was a cloyment that left many guests feeling queasy.
