

CO-REGENT

Meaning: Co-regent: a person who shares the duties and powers of governance with another, often during a transitional period or in a joint leadership arrangement.

1. The young prince was named co-regent to help ease the transition of power after the king's illness.
2. In a unique arrangement, the two leaders served as co-regents, sharing responsibilities for governance equally.
3. Historical records indicate that the queen acted as co-regent during her husband's prolonged absence from the kingdom.
4. The co-regent's influence was crucial in shaping the policies that defined the era of peace and prosperity.
5. After much deliberation, the council decided to appoint a co-regent to assist in managing the growing demands of the realm.
