

COCKLOFT

Meaning: Cockloft: a small, often unused space or room located directly under the roof of a building, typically used for storage or as a cozy retreat.

1. The old building had a charming cockloft that provided a cozy retreat from the bustling city below.
2. As I climbed the narrow staircase, I marveled at the hidden cockloft that had been untouched for decades.
3. The architect cleverly incorporated a cockloft into the design, maximizing the use of vertical space.
4. In the dim light of the cockloft, we found forgotten treasures from a bygone era.
5. During the renovation, they decided to transform the cockloft into a stylish reading nook.
