

COESTATE

Meaning: Coestate: a shared estate or property jointly managed by two or more individuals, typically in the context of inheritance.

1. The two brothers decided to manage the coestate jointly to ensure a fair distribution of their inheritance.
2. After their parents passed away, the siblings found it challenging to agree on the future of the coestate.
3. Legal disputes often arise when multiple parties have stakes in a coestate, complicating matters further.
4. To avoid conflicts, the family held regular meetings to discuss the maintenance of the coestate and its assets.
5. The coestate was a picturesque property that had been in the family for generations, holding centuries of memories.
