

COINCIDENCY

Meaning: Coincidity refers to the occurrence of events or situations at the same time or in a way that is surprising or noteworthy, often implying a connection beyond mere chance.

1. The strange coincidity of their meeting at the same café every week amused them.
2. Some consider the coincidity of events a sign of fate rather than mere chance.
3. The coincidity of their birthdays sparked an instant connection between the two strangers.
4. In a world full of randomness, the coincidity of certain encounters can feel almost magical.
5. She couldn't ignore the coincidity of receiving the same book recommendation from multiple friends.
