

COLLITIGANT

Meaning: A collitignant is a legal representative or advocate who argues on behalf of a party in a legal dispute.

1. The collitignant presented a strong case during the trial, arguing vigorously on behalf of their client.
2. In legal disputes, a collitignant may sometimes find themselves at odds with their own client's interests.
3. The complexity of the case required the collitignant to collaborate closely with multiple experts.
4. During the mediation session, the collitignant was able to negotiate a favorable settlement for both parties.
5. Understanding the role of a collitignant is essential for anyone studying legal practices and courtroom dynamics.
