

COLLOQUIAL

Meaning: Colloquial refers to language or expressions that are informal and characteristic of everyday conversation rather than formal speech or writing.

1. The author's use of colloquial language made the dialogue feel authentic and relatable.
2. In casual conversations, colloquial expressions often replace formal language.
3. Teachers often encourage students to recognize colloquial phrases in literature.
4. Colloquial speech can vary significantly from one region to another.
5. Using colloquial terms in writing can help create a more conversational tone.
