

COMMENTER

Meaning: COMMENTER: A person who expresses opinions or provides feedback, typically in response to content such as articles or posts.

1. The commenter praised the article for its insightful analysis of current events.
2. Many commenters expressed their disagreement with the author's viewpoint.
3. I enjoy reading the thoughtful remarks left by each commenter on the blog.
4. The platform allows users to upvote or downvote each commenter's contribution.
5. As a regular commenter, she felt a sense of community with others who shared her interests.
