

COMPLACENT

Meaning: Complacent: showing smug or uncritical satisfaction with oneself or one's achievements, often leading to a lack of effort or awareness of potential dangers.

1. The team's complacent attitude led to a disappointing performance in the championship game.
2. Despite the early success, she became complacent and stopped pushing herself to improve.
3. His complacent belief that he would always succeed without effort ultimately cost him the promotion.
4. The manager warned against becoming complacent after a few profitable quarters.
5. Complacent in her routine, she failed to notice the subtle changes happening around her.
