COMPLUTENSIAN

Meaning: Complutensian refers to something related to the Complutensian Polyglot Bible, a significant multilingual edition of the Bible produced in the early 16th century in Alcalá de Henares, Spain, notable for its scholarly contributions to biblical studies and textual criticism.

1. The Complutensian Polyglot Bible is a remarkable achievement in the field of biblical scholarship.
2. Scholars often refer to the Complutensian edition as a pivotal moment in the history of textual criticism.
3. The university's library houses a rare copy of the Complutensian Bible, which attracts researchers from around the world.
4. Many believe that the Complutensian efforts to translate texts laid the groundwork for future linguistic studies.
5. The influence of the Complutensian project can still be seen in modern approaches to biblical translation and interpretation.
