COMPURGATORIAL

Meaning: Compurgatorial refers to a legal practice involving the use of oaths by a group of individuals to affirm the innocence of an accused person in a trial.

1. The concept of compurgatorial oaths was once central to the legal practices of medieval societies.

2. In a compurgatorial trial, the accused would call upon others to vouch for their innocence.

3. The use of compurgatorial evidence has largely been replaced by more formal judicial processes today.

4. Historically, the reliance on compurgatorial methods reflected the community's role in the justice system.

5. The notion of compurgatorial support highlights the importance of social bonds in ancient legal frameworks.
