

CONCOURSE

Meaning: Concourse: a large open space or hall in a public building, typically used for the movement and gathering of people, such as in airports or train stations.

1. The airport concourse was bustling with travelers eager to catch their flights.
2. We met in the main concourse of the train station, surrounded by the sounds of arriving and departing trains.
3. The university's new student center features a large concourse where events and gatherings can take place.
4. During the festival, the concourse was filled with food stalls, live music, and cheerful crowds.
5. As I walked through the concourse, I admired the intricate architecture and vibrant art installations.
