

CONFEDERACY

Meaning: Confederacy: a union of independent groups or nations formed for a common purpose, often in a political or military context.

1. The confederacy of small nations worked together to promote trade and cultural exchange.
2. During the Civil War, the Confederacy sought to establish itself as a separate nation from the Union.
3. Historians often debate the reasons behind the downfall of the Confederacy in the 19th century.
4. The confederacy of tribes formed a united front against external threats to their sovereignty.
5. In many cases, a confederacy allows for greater autonomy among its member states while maintaining a collective identity.
