

# CONFETTI

*Meaning: Confetti is small pieces of colored paper or other material, often used as decoration or thrown during celebrations such as weddings or parades.*

1. The air was filled with colorful confetti as the couple shared their first kiss as newlyweds.
2. After the parade, children eagerly collected the leftover confetti from the street to take home.
3. She tossed the confetti into the air, creating a vibrant cloud that danced in the sunlight.
4. The birthday party was a hit, especially with the confetti cannons that surprised everyone.
5. As the clock struck midnight, confetti rained down, marking the start of the new year in celebration.
