

CONVENTICLE

Meaning: Conventicle: a private meeting or gathering, especially for religious worship, often held by a group that is not part of an established church.

1. The small group gathered in a dimly lit room for their weekly conventicle.
2. During the 17th century, many dissenters faced persecution for holding conventicles outside of established churches.
3. The conventicle served as a safe haven for those seeking spiritual connection away from mainstream doctrine.
4. As the night wore on, the atmosphere in the conventicle grew more intense with fervent discussions and prayers.
5. Despite the risks involved, the participants of the conventicle were determined to uphold their beliefs in secret.
