

COPARCENER

Meaning: A coparcener is an individual who shares an inheritance in a family estate, typically by birthright, and has the legal right to claim a portion of that estate.

1. A coparcener is entitled to a share of the family estate by virtue of birth.
2. In many cultures, a coparcener can challenge the division of property during inheritance disputes.
3. The rights of a coparcener often depend on the laws governing succession in their jurisdiction.
4. She discovered that as a coparcener, she had equal rights to the ancestral property.
5. Legal disputes can arise when one coparcener attempts to sell or encumber their share without consent.
