

CORNERCAP

Meaning: Cornertcap: a decorative or functional architectural element placed at the corner of a building or structure, often used to enhance aesthetics or provide protection.

1. The architect designed a unique cornertcap that seamlessly blended with the building's modern aesthetic.
2. During the renovation, they decided to replace the old cornertcap with a more durable and stylish option.
3. The cornertcap not only enhanced the structure's appearance but also provided additional weather protection.
4. To ensure longevity, the team chose a cornertcap made from high-quality materials resistant to corrosion.
5. After the storm, the cornertcap was found to have sustained minor damage, requiring immediate repair.
