

CORONACH

Meaning: A coronach is a mournful song or lament sung in honor of the dead, often performed at funerals or memorials.

1. A mournful coronach echoed through the mountains as the community gathered to pay their respects.
2. The traditional coronach was sung to honor the fallen hero, its haunting melody piercing the stillness of the night.
3. As the bagpipes played a solemn coronach, tears streamed down the faces of those who had come to mourn.
4. The coronach served as a poignant reminder of the deep connections shared among the villagers, even in times of loss.
5. In the dim light of the chapel, the coronach resonated, capturing the collective grief of the attendees.
