

COTTIER

Meaning: Cottier refers to a laborer or tenant farmer, particularly in 19th-century Ireland, who cultivates a small plot of land and often faces harsh rental conditions.

1. The cottier worked tirelessly to maintain his small plot of land.
2. In the 19th century, many cottiers suffered under oppressive rent conditions.
3. The cottier's cottage was modest, yet it reflected his hardworking spirit.
4. As a cottier, he navigated the challenges of farming and land ownership.
5. Community gatherings often involved stories of cottiers and their struggles for survival.
