

COUNTERCHARGE

Meaning: A countercharge is a legal claim made by a defendant in response to an accusation, asserting that the accuser has also committed a wrongful act.

1. The defendant filed a countercharge claiming that the plaintiff had also committed fraud.
2. In response to the initial accusation, the lawyer prepared a countercharge to defend his client's reputation.
3. The company decided to issue a countercharge after receiving allegations of copyright infringement.
4. During the trial, the prosecution introduced a countercharge that shifted the focus onto the defendant's actions.
5. The judge allowed the countercharge to be presented, arguing that it was relevant to the case at hand.
