

COURTYARD

Meaning: A courtyard is an enclosed outdoor space, often surrounded by walls or buildings, typically used for recreation or gardening.

1. The old mansion featured a beautiful courtyard filled with blooming flowers.
2. Children played joyfully in the courtyard, their laughter echoing off the stone walls.
3. As I stepped into the courtyard, I was greeted by the soothing sound of a nearby fountain.
4. The courtyard served as a peaceful retreat, perfect for sipping coffee on sunny afternoons.
5. In the center of the courtyard, a grand statue stood, telling stories of the past.
