

COWARDSHIP

Meaning: Cowardship is the quality or state of being cowardly, characterized by a reluctance to confront danger or difficulty, often prioritizing safety over moral or ethical action.

1. The concept of cowardship often manifests in moments when individuals choose safety over standing up for what is right.
2. In a world that sometimes rewards bravery, the stigma of cowardship can weigh heavily on those who fear taking risks.
3. His cowardship became evident when he failed to confront the injustice happening right before his eyes.
4. Many view cowardship as a betrayal of one's principles, leading to a life filled with regret.
5. The novel explored the theme of cowardship through its protagonist, who struggled with fear and indecision at every turn.
