

# COWLICK

*Meaning: A cowlick is a section of hair that grows in a direction different from the rest, often causing it to stand up or stick out.*

1. His cowlick made it impossible for him to style his hair the way he wanted.
2. She tried to tame her unruly cowlick with gel, but it always seemed to bounce back.
3. The little boy proudly showed off his cowlick, blissfully unaware of how it looked.
4. After a long night, his cowlick stood up defiantly, giving him a carefree look.
5. Despite her attempts to flatten it, her cowlick remained a stubborn trait of her hairstyle.
