

CROMLECH

Meaning: Cromlech: a prehistoric megalithic structure consisting of a circle of stones or a burial chamber, often associated with ancient rituals and ceremonies.

1. The ancient cromlech stood as a testament to the rituals of a long-lost civilization.
2. Archaeologists discovered a remarkable cromlech hidden beneath layers of earth and vegetation.
3. Visiting the cromlech at dawn, I was struck by the mystical aura that surrounded the stones.
4. Local legends often speak of the spiritual significance of the cromlech in connecting the past and present.
5. The cromlech's unique arrangement of stones has intrigued historians for centuries.
