

CRONE

Meaning: Crone: an old woman, often depicted in folklore as possessing wisdom, mystical knowledge, and sometimes associated with magic or witchcraft.

1. The villagers whispered tales of the crone who lived in the woods, known for her strange potions and enigmatic prophecies.
2. In folklore, the crone often represents wisdom gained through hardship and the acceptance of life's cycles.
3. As the crone hobbled down the path, her gnarled hands clutched a basket filled with herbs and wildflowers.
4. The young girl approached the crone with curiosity, eager to learn the secrets of the ancient woman.
5. Despite her frail appearance, the crone possessed a fierce spirit and a wealth of knowledge that captivated all who listened.
