

CROSS-EXAMINER

Meaning: A cross-examiner is a lawyer or legal professional who questions a witness in a trial to challenge their testimony and uncover inconsistencies.

1. The cross-examiner skillfully dissected the witness's testimony to reveal inconsistencies.
2. During the trial, the cross-examiner focused on the defendant's motives and alibis.
3. Her reputation as a relentless cross-examiner made many witnesses hesitant to take the stand.
4. The attorney's role as a cross-examiner was crucial in undermining the prosecution's case.
5. With each question, the cross-examiner sought to emphasize the doubts surrounding the evidence presented.
