

# CROTCHED

*Meaning: CROTCHED refers to being divided or forked at the top, typically describing branches or formations that split into two or more parts.*

1. The tree's branches were beautifully crotched, creating a perfect spot for a hammock.
2. As the climber reached the crotched rock formation, he paused to catch his breath.
3. The artist painted a scene of a crotched path leading up to a hidden garden.
4. She found herself standing at the crotched intersection of two scenic trails.
5. The old fence was made of weathered wood, each post slightly crotched at the top.
