

CSURA

Meaning: CSURA refers to a program or initiative designed to support and promote the development of underrepresented students in STEM (Science, Technology, Engineering, and Mathematics) fields through skills enhancement and research opportunities.

1. The CSURA program aims to enhance the skills of underrepresented students in STEM fields.
2. Researchers presented their findings at the annual CSURA conference, showcasing innovative projects.
3. CSURA has partnered with local organizations to provide mentorship opportunities for aspiring scientists.
4. Volunteers at CSURA are dedicated to promoting education and awareness in underserved communities.
5. The impact of CSURA's initiatives can be seen in the increased enrollment of minority students in science courses.
