

CUPOLA

Meaning: A cupola is a small, dome-like structure on top of a building, often used for decoration or to provide a lookout point.

1. The church's cupola was adorned with intricate carvings that glimmered in the sunlight.
2. As we climbed the stairs, the view from the cupola took our breath away, revealing a stunning panorama of the city.
3. The architect designed the building with a distinctive cupola, adding an elegant touch to its silhouette.
4. During the storm, the old cupola creaked ominously, reminding us of its long history and resilience.
5. The museum's new exhibit featured photographs of famous cupolas from around the world, showcasing their diverse styles.
