

CURBLESS

Meaning: Curbless (adjective): designed without curbs to facilitate smooth movement and accessibility, particularly in contexts such as furniture or walkways.

1. The innovative design of the new chair made it curbless, allowing for seamless movement across the room.
2. In an effort to enhance accessibility, the city council proposed curbless sidewalks throughout the downtown area.
3. With a curbless transition from the driveway to the garage, the home was made more accommodating for wheelchair users.
4. The restaurant's outdoor seating area featured a curbless patio that blended effortlessly with the surrounding landscape.
5. Many parents appreciated the curbless layout of the playground, as it provided a safer environment for their children.
