

CUSHAT

Meaning: Cushat refers to a type of dove, specifically the wood pigeon, known for its soft cooing and presence in wooded areas.

1. The cushat cooed softly from the branches above, heralding the arrival of spring.
2. As the sun set, the cushat took flight, its wings silhouetted against the glowing sky.
3. In the quiet woods, the sound of a cushat's call echoed through the trees.
4. The cushat, with its distinctive gray plumage, is often spotted in our local parks.
5. Many people enjoy birdwatching, hoping to catch a glimpse of the elusive cushat.
