

DANAIDE

Meaning: A Danaide refers to one of the fifty daughters of Danaus in Greek mythology, condemned to eternally attempt to fill a bottomless vessel, symbolizing futile labor or unachievable tasks.

1. A Danaide is often used as a symbol of futility in literature and art.
2. In mythology, the Danaides were cursed to fill a bottomless vessel with water.
3. The story of the Danaides serves as a cautionary tale about the consequences of betrayal.
4. In discussions of Greek mythology, the term 'Danaide' evokes themes of punishment and endurance.
5. Many contemporary authors draw inspiration from the myth of the Danaides to explore existential themes.
