

# DANTESQUE

*Meaning: DANTESQUE: resembling or evocative of the vivid, often dark and surreal imagery and themes found in the works of Dante Alighieri, particularly in relation to human suffering and moral complexity.*

1. The painting's dark, swirling clouds and tortured figures created a Dantesque atmosphere that left viewers feeling unsettled.
2. After reading the novel, I was struck by its Dantesque journey through the depths of human despair and redemption.
3. The haunted house had a Dantesque quality, with its labyrinthine corridors and ghostly apparitions.
4. In his latest film, the director crafted a Dantesque narrative that explored themes of punishment and salvation.
5. The abandoned city, shrouded in mist, had a Dantesque eeriness that made it feel both surreal and hauntingly beautiful.
