

DEANERY

Meaning: Deanery: a district under the jurisdiction of a dean, typically encompassing multiple churches or educational institutions, particularly in a religious or academic context.

1. The new deanery was established to oversee the academic programs of multiple affiliated colleges.
2. The bishop visited the deanery to discuss the future direction of the local parishes.
3. Faculty members gathered at the deanery for a meeting focused on curriculum development.
4. After years of service, she was honored at the deanery for her contributions to the education community.
5. The renovations at the deanery improved both its functionality and aesthetic appeal, making it a welcoming space for visitors.
