

DEATHWATCH

Meaning: Deathwatch refers to a situation or presence that indicates impending doom or decay, often symbolized by the tapping sound of a deathwatch beetle or a metaphorical confrontation with mortality or fear.

1. The sound of the deathwatch beetle tapping within the old timber signaled the imminent decay of the ancient house.
2. In her novel, the protagonist faced a haunting deathwatch that forced her to confront her deepest fears.
3. During the vigil, the group sat quietly, each aware of the deathwatch that loomed over their loved one.
4. The folklore surrounding the deathwatch beetle claimed it foretold death, adding an eerie atmosphere to the old village.
5. As the clock struck midnight, the unsettling silence felt like a deathwatch, marking the passing moments of a life filled with memories.
